7 TRUMPETS OPENING VISION

FIRE KINDLED!

And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne.

THE GOLDEN CENSER

Leviticus 16:12 And he shall take a censer full of burning coals of fire from off the altar before the LORD, and his hands full of sweet incense beaten small, and bring it within the vail: And he shall put the incense upon the fire before the LORD, that the cloud of the incense may cover the mercy seat that is upon the testimony, that he die not:

Revelation 8:3 (KJV)

And the smoke of the incense, which came with the prayers of the saints, ascended up before God out of the angel's hand.

– Revelation 8:4 (KJV)

LET MY PRAYER
BE SET BEFORE
YOU AS INCENSE,

THE LIFTING UP
OF MY HANDS AS
THE EVENING
SACRIFICE.

— PSALM 141:2 (NKJV) —

And the angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunderings, and lightnings, and an earthquake.

— Revelation 8:5 (KJV)

Revelation 4:5

And out of the throne proceeded lightnings and thunderings and **voices**: and [there were] seven lamps of fire burning before the throne, which are the seven Spirits of God.

Revelation 8:5

And the angel took the censer, and filled it with fire of the altar, and cast [it] into the earth: and there were **voices**, and thunderings, and lightnings, and an earthquake.

Revelation 8:13

And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other **voices** of the trumpet of the three angels, which are yet to sound!

Revelation 10:3

And cried with a loud voice, as [when] a lion roareth: and when he had cried, seven thunders uttered their **voices**.

Revelation 10:4

And when the seven thunders had uttered their **voices**, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not.

Revelation 11:15

And the seventh angel sounded; and there were great **voices** in heaven, saying, The kingdoms of this world are become [the kingdoms] of our Lord, and of his Christ; and he shall reign for ever and ever.

Revelation 11:19

And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and **voices**, and thunderings, and an earthquake, and great hail.

Revelation 16:18

And there were **voices**, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, [and] so great.

Each year **lightning** strikes North America an estimated 25-100 million times. Occasionally, **trees** are struck, but of these twenty percent may not show any visible injury and damage may be minor. In other cases, **trees can be destroyed** as the electricity from the lightning vaporizes water in the tree trunk which then expands and literally splits the tree open. In other cases damage may be slight to moderate with only a strip of bark being "blasted off" one side of the tree, usually from top to bottom.

The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up.

Revelation 8:7 (KJV)

Hail can severely damage *all plants*. The severity of the damage depends on the ***size*** of the hailstones and the ***time of the year*** that the hailstorm occurs. The later in the growing season that hail damage occurs the less time plants have to recover and store energy for the winter. On annuals and perennials leaves, stems and flowers may be **shredded, torn and knocked off**. On ***trees*** and shrubs leaves, twigs and branches may be tattered, split and broken. Fruit may be pitted and knocked to the ground. **The *trees* may take a very long time to recover.** The damage increases the vulnerability of the ***trees to decay causing fungi and insect activity.***

All the plagues that fell on Egypt, were all type and shadow of what will be experienced in the tribulation. In the foresight of God, He hardened Pharaoh's heart, to not let Israel go in order to demonstrate to Israel the plagues He would bring during the tribulation (Exodus 10:1-2) This later becomes the basis for the 144k Jews to come out of the tribulation.

Verse seven: "The first Angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up"

(Exodus 9:22- 25) Hail with fire and blood (Revelation 8:7, 11:19, 16:21).

LOW ENERGY – LONG WAVE LENGTHS

Invisible ultraviolet light is described as three wavelengths. UVC is absorbed by the ozone layer of Earth's atmosphere. UVB is partially absorbed by the ozone layer. UVA penetrates the atmosphere and reaches the earth.

And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: and the third part of the sea became blood;

— Revelation 8:8 (KJV)

The Second Trumpet depicted in the 14th c. *Cloister Apocalypse*, Metropolitan Museum of Art, New York.

And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed.

Revelation 8:9 (KJV)

ASTEROID

A large rocky body in space larger than 10 meters

COMET
A small body made of ice and dust that leaves a tail of gas and ice as it travels near the sun. Comet trails cause meteor showers when the Earth passes through them

METEOROID

A small rocky body in space in size from microns to 10 meters

METEOR

The light emitted from a meteoroid as it enters the atmosphere

METEOR SHOWERS

An event that occurs during the same time each year in which a number of meteors radiate from the same point in the night sky

FIREBALL

A meteor brighter than the planet Venus

BOLIDE

A large meteor that explodes in the atmosphere

METEORITE

A fragment of a meteoroid or an asteroid that survives passage through the atmosphere and hits the ground

Comet 67P appears to have a regolith, rocks, boulders, cliffs and craters. It is very dark (low albedo) but when asked ESA scientists suggested if it has a colour then it is red. Asteroids are said to turn red with age.

Revelation 8:10 (KJV)

**And the name of the star is called
Wormwood: and the third part of the waters
became wormwood; and many men died of
the waters, because they were made bitter.
— Revelation 8:11 (KJV)**

Pregnancy/Lactation

Avoid use. Documented abortifacient and emmenagogue effects.

Interactions

A single case report suggests that wormwood may increase the international normalized ratio (INR) with warfarin.

Adverse Reactions

The volatile oil thujone in wormwood produces a state of excitement and is a powerful convulsant. *Repeated ingestion of wormwood may result in absinthism, a syndrome characterized by digestive disorders, thirst, restlessness, vertigo, trembling of the limbs, numbness of the extremities, loss of intellect, delirium, paralysis, and death.*

Toxicology

Wormwood is classified as an unsafe herb by the US Food and Drug Administration (FDA) because of the neurotoxic potential of thujone and its derivatives; it is generally regarded as safe if it is thujone free. The safety of wormwood is poorly documented despite its long history as a food additive. Convulsions, dermatitis, and renal failure have been reported.

And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.
